To Our Family of Members,

Spring is a time of renewal and growth, something we see every day here at the JCC. As our programs grow, we are able to offer new experiences to our members and community – creating spaces, moments, and opportunities for everyone to live their lives Jewishly.

This year, I am excited to be renewing my focus on programs for all ages and abilities as the newly appointed Chief Program Officer, working with the talented professionals on our community services, social advocacy, youth & adult, recreation & aquatics, inclusion & special needs, and arts & culture teams. As a long-time member, my family has participated in every corner of the JCC. I believe that the community we have here is special and look forward to fostering its continued growth through consistently excellent and collaborative programs.

So, as the snow (hopefully) begins to melt, I encourage you to try something new in this Spring session. Check out the Fitness & Recreation section beginning on page 21 for brand new offerings like Open Water Polo, Catchball, Express Reformer, and Nutrition Workshops. Experience new music performances and attend classes and programs for Pride Month thoughtfully planned by our Tapestry Arts & Ideas team and found starting on page 35.

Get your kids ready for summer with swim lessons and don’t forget to register them for camp! Even the littlest members of our community can grow and learn at the JCC this Spring in Parent-Child and Preschool Enrichment classes found on pages 10-13. Registration is now also open for the 2020-21 school year at Gan Ami Early Childhood Education which begins in June.

I look forward to welcoming Spring with you and hope you will feel free to reach out if you have ideas or suggestions for new ways we can grow together as a community.

B’shalom,

Sarah Siegel
Chief Program Officer

Jewish Life

Milwaukee’s Jewish community is vibrant and diverse, and the JCC is right at the center of the action. Creating an inclusive Jewish gathering space means celebrating the values and traditions that unite us. No matter if you grew up Jewish or are new to the community, you always have a home here. Family programs, youth education, and holiday celebrations fill our calendar and make Jewish tradition, practice, and exploration accessible to all families.

jccmilwaukee.org/programs/jewish-life

L’dor Vador

L’dor vador is a Hebrew phrase that means from generation to generation. It refers to continuity across the millennia and the responsibility of passing on knowledge and traditions to the next generation in order to sustain the customs, heritage, and collective memory of the Jewish people.

We think of L’dor vador especially as the holiday of Passover approaches. Passover is the most celebrated of all Jewish holidays with more than 70% of Jewish Americans taking part in a Seder meal. Families gather together to eat traditional foods and tell the story of the Exodus from Egypt. We are told that “in every generation each person must see themselves as if they personally came forth from Egypt” (Exodus 13:8).

In every generation each person must see themselves as if they personally came forth from Egypt.

For grandparents, passing family traditions on to their grandchildren takes on special meaning as they may be thinking back to the Seder tables of their own grandparents and seeing themselves as an important link in the chain from the past to the future. Sharing the holiday with grandkids may mean different things for different families. For some, it is the recipes that take center stage – Bubbe’s matzo ball soup or Zaide’s charoset. For others, much time is spent crafting the perfect Haggadah, a written guide to the Passover Seder. Or maybe the same Maxwell House Haggadah that has been used for generations remains in use by your family because the wine stains and burn marks serve to remind you of years gone by.

While Passover is an important time of year to pass traditions, recipes, and stories from generation to generation, we see engaged grandparents here at the JCC every day. Many are actively involved in pick up and drop off for our education programs while others bring their grandkids to swim in the pool, play in the gym, or attend morning parent-child classes.

PJ Library is looking forward to hosting an intergenerational brunch this Spring in partnership with the Milwaukee Jewish Federation Young Leadership Division and Shalom Baby. Do you have suggestions for how the JCC can further engage grandparents as vital partners in creating Jewish experiences for the next generation? We invite you to share them with our Chief Program Officer, Sarah Siegel, at ssiegel@jccmilwaukee.org or 414-967-8185.

Co-sponsored by Milwaukee Jewish Federation YLD and Shalom Baby and PJ Library
Reading stories and listening to music with your child are among the most powerful and nurturing early childhood learning experiences. Milwaukee area families raising Jewish children ages 6 months through 8 years old receive free books and CDs for each child on a monthly basis. Over 580 children in Milwaukee are enrolled. The PJ Library is a gift that will nourish a Jewish life from the start.

PJ Library is partially funded through a generous grant from the Harold Grinspoon Foundation. If you are interested in providing financial support that will ensure the continuation of this program for each eligible child in Milwaukee, please contact:

Fostering Early Childhood Literacy

By Stacy Synold, Director of Early Childhood Education

Today, I shared my favorite children’s story with some of the J’s youngest members – *The Snowy Day* by Jewish-American author Ezra Jack Keats. I have wonderful memories of my parents reading this to me and the story came alive even further when I read it to my oldest son. He would snuggle on my lap when he was two and listen to the story – so often, in fact, that he memorized the entire book, my inflections and expressions included. He loved it so much he informed us we had to name his soon-to-be-born baby brother, Peter, after the main character. The name stuck, and both boys are now happy and healthy, literate young adults, one who is indeed named Peter.

Think back to your childhood. What was your favorite story or book? Where did you sit when you listened? Who read to you? What stands out about the book?

As we enter March, which is National Reading Month, it is important to delve deeply into how children develop the beginnings of literacy. Did you know that reading skills are built from the very earliest of days? Babies listen to the voices of their parents and caregivers as they read stories, toddlers chew their beloved books, two-year old’s may memorize their favorite stories and preschoolers begin to recognize letters and play with sounds in rhymes and poems. In our early childhood program, we are building readers, one book and one child at a time!

At Gan Ami, we believe that reading and writing are processes that encourage and require a family partnership. We understand that reading and writing are holistic; requiring meaningful integration into the curriculum. Here are some ideas to encourage playful and engaging emergent literacy development throughout the early years:

**Infants and Toddlers:**
- Love to snuggle and listen to you read, whether it be a story, the newspaper, or even a report from work.
- Like to see pictures and point to things they recognize. You can point to objects and words on the page, too.
- Love to “digest” literature — they need books they can freely explore by crumpling, turning, and chewing the pages.
- Signing, nursery rhymes, and interactive games are favorites with this age. Change your voice for characters and to express emotions.
- Two Year Olds
  - Enjoy seeing new books in their reading areas, so rotate the offerings regularly.
  - Like to use a variety of art supplies to write and draw.
  - Love to see their name in print. Some children even begin to identify letters in their name.
  - Enjoy telling stories about their drawings—you can write their words down!
  - Enjoy reading experiences in both individual and group settings.
- Three Year Olds
  - Are learning that letters are symbols that represent sounds and these sounds together create a word.
  - Begin to make predictions about what happens next in a story.
  - May enjoy making their own books, especially about familiar topics.
  - Need time to practice drawing circles and lines as these shapes are the building blocks of writing.
  - Should have access to a variety of books and writing materials.
- K4
  - Are able to put literacy into practice by helping you with every day experiences like reading signs and writing a grocery list. Encourage them to retell stories to younger siblings.
  - Enjoy books that correspond to lessons they are working on at school or things that are happening in your home. Help them connect what they are reading to real life experiences.
  - Can write or draw their learning. After drawing the picture, ask the child what is going on and dictate what they are saying, word for word.
  - Are ready for more challenging read-alouds that help them learn to sequence a story and begin more advanced comprehension techniques like inference.

So get reading! Share your favorite story with your child tonight. Should you have more questions about how literacy happens in the early years at Gan Ami, please contact us at any time. We’d be happy to share our joy of learning with you. Families raising Jewish children also have access to free, age-appropriate Jewish books from PJ Library. Find details on the previous page.

BEFORE & AFTER SCHOOL CARE

Before School Care 7:00 – 9:00 AM
After School Care 3:00 – 6:00 PM (5:30 PM Fridays)

We know how hard it is to find before and after school options that make everyone happy. Parents want their children to be safe and engaged, while kids just want to hang out with their friends and have fun. Kids Center strikes that perfect balance.

With access to the gym, pool, art room, and theater, kids can take everything from swim lessons to sports, arts, and STEM classes. There are also plenty of opportunities to just be a kid and play with friends outside and inside. A dedicated, supervised homework room keeps kids on track for school success and allows your family to enjoy a more peaceful evening at home.

Kids Center’s team of retired teachers, college students, and youth professionals partner with parents to help their children build confidence, resilience, responsibility, and competence while always having the children’s safety and well-being as a top priority.

AFTER SCHOOL TRANSPORTATION

Hebrew School Transportation for 2nd-7th grade

Camps

Summer is a great time for families to take the learning out of the classroom and into the great outdoors. Whether it’s a day camp in Fredonia or Whitefish Bay, or overnight camp in the Wisconsin Northwoods, the JCC provides safe, inclusive spaces where children and teens can explore interests, build communities, demonstrate values, and experience the power of play.

jccmilwaukee.org/programs/camps

JCC Rainbow Day Camp is continually working to provide meaningful improvements to our facilities, enhancements to our partnership offerings, and a reimagining of our physical space to match the exceptional programming we deliver to children throughout the year. Summer 2020 will see some significant investments to our campsite that will be evident when we open camp on June 15.

This fall, we broke ground on a new permanent shelter for our middle school and high school aged campers in Tsofim and Bonim Leaders. This multi-purpose building will have central air, a bathroom, and plenty of space for enhanced programming for this age group. Investing in opportunities for the preteens and teens in our community to connect offline with their peers takes the glowing screens out of the equation and allows these campers to experience the fresh air, the bright skies, and the natural terrain that sparks imagination.

Another area that will see improvements this year is our Dinkin Family Activity Village which will add a renovated cabin for music programming and another bathroom for the far west side of our campsite. The Anna & Nathan Landau & Children Picnic Area will be adding more shelter to replace the shade that was previously provided by 8 trees lost to Dutch Elm disease, and our Athletic Fields will welcome the addition of a Tushball Pavilion that brings the favorite sport of Camp Interlaken JCC to our day campers with a roof designed for younger kids to play.

With the ongoing support of our camp families, community leaders, partner organizations, and generous supporters – we are committed to making JCC Rainbow Day Camp an innovative, welcoming, and exceptional destination for generations to come. JCC Rainbow Day Camp’s future is bright, powered by the continued investment of the community we are blessed to serve – and fueled by the countless smiles we help to bring to faces every day in Fredonia, Milwaukee, and everywhere the Wisconsin sun shines.

**Pilates is for Every Body**

When you peek into our Pilates Studio the Reformers may look intimidating, but Pilates fans know that these amazing pieces of equipment are excellent at helping the body flow and move against resistance to gain strength, balance, and flexibility. As a moderate/low impact strength training workout, it is great for achieving long, strong muscles without adding bulk. Invented by Joseph Pilates in the early 1900s and originally called “Controlology” the method was designed to be therapeutic in nature and intended to help the body “relearn” how it was meant to move.

So, let’s demystify the equipment for you. The Reformer has a carriage that rolls back and forth on wheels within the frame and is connected to a set of weighted springs that provide different levels of resistance. It also has a footbar and long ropes with handles on them that can be pulled with either legs or arms to move the carriage. Your body weight and the resistance of the springs make the carriage more or less difficult to move and are adjustable for differing body sizes and different levels of skill. For every contraction, there is a release and for every push there is a pull.

“*The stronger my core gets, the more supported my whole body feels in my daily movements.*”

Pilates practice strengthens the core and leads to improvements in posture, higher efficiency in movements for daily living, and relief from pain due to physical imbalances. “I know it sounds crazy, but I believe that taking Pilates Reformer classes has made me taller, if that is possible” says JCC member, Sue Strait. Her classmate Melinda Swartz agrees, “The improvements in our posture definitely make us stand taller.” Many Reformer devotees also notice how much stronger they feel. “The stronger my core gets, the more supported my whole body feels in my daily movements,” explains Julie Rosenfeld.

There has never been a better time to try Pilates Reformer classes at the JCC. Thirty minute Express Reformer classes have recently been added to the Group Training Schedule and are available on a drop-in basis ($15/class for JCC members, $25/class for the Community). These short classes can be a great introduction to the Reformer. Packages are also available and cover both Express Reformer and Burn Group Training classes.

Already working with a trainer or really into another one of our fitness specialties? Adding Pilates to your current fitness routine can enhance your fitness goals, increase your flexibility, and lower your risk for injury. In fact, many of our new Pilates instructors can be found teaching a variety of classes at the JCC.

Kirsten Uphaus teaches Burn, Fit n’ Fun, Les Mills Bodypump, and Les Mills Bodycombat, and is now adding Express Reformer to her repertoire. Jill Harris is expanding her yoga practice to start teaching Express Reformer as well. And our Fitness Director, Katie Nickel, who trains many of our clients on the fitness floor, is excited to be adding Reformer options to her training regimen.

You can find the Group Training Schedule with Express Reformer classes on page 30 and all of our session-based Pilates Reformer classes on page 29. Pilates Personal Training is also available.

AQUATICS

Swim Test for Independent Swimmers
All swimmers under the age of 14 wishing to swim in either pool independently MUST complete a swim test. A yellow band indicates that the swimmer can be in the small training pool independently. A green band indicates that the swimmer can be in any area of the pool independently, including using the diving board during designated hours. Swim Tests will be kept in a binder on the pool deck and will be updated weekly.

To obtain a yellow band participants must be able to swim ½ the length of the large pool any stroke. They must demonstrate the ability to keep their body horizontal and have continuous forward motion.

To obtain a green band participants must be able to swim 1 length (25 yards) of the pool using either a front crawl or a breaststroke. They must demonstrate the ability to keep their body horizontal and have continuous forward motion. Immediately after the swim they must demonstrate proficient treading water for 30 seconds.

Swimmers who do not complete the swim test, must be accompanied by an adult in the water at all times unless they are participating in a program.

• Large, 6-lane, 25-yard pool allows your child to build endurance and stroke refinement.
• End-of-session report cards give parents each child’s progress, successes, and recommended next level.
• Free swim checks for lesson participants to ensure proper level placement.
Swim Test Dates for Spring are Sunday 4/5 from 10:00 AM-12:00 PM & Tuesday 4/7 from 4:00-6:00 PM.

American Red Cross - Learn to Swim Program

The JCC’s aquatics programs are based on the principles and methods established by the American Red Cross. The American Red Cross program is progressive; each skill builds on the skills mastered in the previous level; therefore, it is important and necessary to successfully complete each level in progression.

Essential swim and safety skills are taught at each level; skipping or omitting levels may result in your child missing vital skills that will help them advance to the next level. Swimmers are separated by age; Parent-tot for infants/toddlers 6 months – 36 months with their parents, Parent Child Swim Skills for toddlers 18 months – 3 years , Pre-School Levels for children ages 3 – 5 years old and Youth Levels for children ages 6 & up. This separation allows children to learn in a relaxed, non-competitive environment with children of their own age and ability. Progress reports are handed out at the end of every session informing parents which skills were accomplished and which need continued progress as well as the recommendation of the next level to enroll in.

Make-up/Refund Policy: We realize that there are schedule changes and situations arise that may cause you or your child to miss a class, but to ensure a quality experience for both your child and the other children in classes, the JCC does not allow make up lessons or provide refunds for missed classes.

Youth Age Aquatics ages 6 & up

Our youth aquatic classes are structured for children 6 years old and up with each lesson 30 minutes in length combining skill instruction with fun. To ensure a quality and safe lesson, there is a ratio of one instructor to a maximum of 6-8 students depending on the level and the classes are taught in our big pool with the exception that part of our Youth Level 1 classes will be held in both the teaching and big pool.

Youth Level 1 Beginners for children ages 6 & up

Participants enrolled in this class will become familiar with all of the skills in the Pre-School Lesson Program. This level is designed for the older child to begin in an age appropriate lesson. This lesson will be taught in the large pool.

Youth Level 2 The next step after Pre-School Level 3

Participants enrolled in this class must be able to swim front & backstroke for ¼ length of the large pool (coordinated arm & leg action). Activities will include refining coordinated arm & leg action with an introduction to rotary breathing (breathing to the side while swimming on front), swimming on side and treading water. Participants will work towards independent swimming both front & backstroke ¼ the length of the large pool.

Youth Level 3

Participants in this class must be able to complete the front crawl with rotary breathing & backstroke for ½ the length of the large pool. They must also be able to tread water/float for 15 seconds and get back to safety. Activities will include introduction to several new strokes: the butterfly stroke (kick and body motion), elementary backstroke arms and kick, jumping into deep water, and introduction to diving. Participants will work toward swimming one length of the pool front and backstroke as well as treading water for 30 seconds.

Youth Level 4

Participants in this class must be able to complete the front & backstroke for 25 yards (1 full length) and float/tread water for 30 seconds. Activities include introduction to underwater swimming, kneeling & standing dives, front & back turns and refinement of all strokes, with an introduction to breaststroke. Participants will work towards swimming front & backstroke 2 lengths of the large pool.

Youth Level 5

Participants in this class must be able to do the following activity (minimally) A) Dive into deep water, swim the front crawl for 50 yards and then swim backstroke for 50 yards. B) Swim 25 yards breaststroke or butterfly. Activities will include refinement and endurance of all strokes, flip turns while swimming on front & back, surface dives, and an introduction to advanced safety skills.

Youth Level 6

Participants in this class must be able to do the following activity (minimally) A) Dive into deep water, swim the front crawl for 100 yards and then swim backstroke for 100 yards. B) Swim 25 yards breaststroke and butterfly and demonstrate feet first and headfirst surface dives. Participants must also demonstrate proper turns including flip turns. Activities will include swim race etiquette, such as proper starts, breakouts, turns, finishes, and use of the pace clock. Swimmers will also learn basic lifeguarding techniques and prerequisites as well as the fundamentals of swimming for fitness.

Arts & Ideas

More than a fun night out, a beautiful painting on the wall, or a good read on the bedside table, arts and ideas is a connection - through generations, across geography, and beyond our differences. Through performance, conversation, and exhibitions, we find a new language for exploring what unites us. Our cornerstone program, Tapestry explores Jewish history, tradition, life, and future in a way the entire community can appreciate.

Celebrating Pride Month

Fifty-one years ago, on June 28, 1969, the Stonewall Riots in New York City marked a major change in the history of LGBT people in America. At that time, gays and lesbians had very few rights. Any gathering of homosexuals, especially in a bar, could have been considered “disorderly” by the police. At that time, homosexuality remained illegal in every state in the USA except for Illinois, and bars could be shut down for having gay employees or serving gay patrons. On that fateful night, the police raided the Stonewall Inn in New York’s Greenwich Village, arresting both patrons and staff. The raid resulted in those in the bar fighting back and starting a riot which lasted six days, as people from all over New York joined the uprising. Historians mark this moment as the beginning of the gay rights movement in America and around the world. Many of the activists were Jewish, and the gay rights movement was part of great activism of the ‘60s and ’70s calling for changes in gay rights, civil rights, the end of the war in Vietnam, and more. Because of these events, June has become known as “Pride Month.” There are celebrations and events all over the world celebrating the progress of LGBT rights. Clearly, these rights were hard fought for, and as in other civil rights movements, there has been so much progress.

A lot has changed since then. Gay marriages are fully recognized as binding both here in the USA and in Israel. There are now LGBT rabbis and other leaders in the Jewish Community. We as Americans have become more aware of the importance of acknowledging and respecting diversity within our communities. One of the priorities of the JCC’s Strategic Roadmap is to “Build upon our intentionally inclusive culture, reflecting the diversity of those we serve.” We have certainly worked to be inclusive in so many ways here, and this year, for the first time, we will be offering a LGBTQ (but straight-friendly) swing dancing class! See details on pages 38 & 39.

"Build upon our intentionally inclusive culture, reflecting the diversity of those we serve"

In addition, we will be featuring a three-part mini course with our Judaic Education Director Jody Hirsh examining the presence of LGBTQ Jews throughout Jewish History. And, for the first time, we will offer a LGBTQ (but straight-friendly) swing dancing class! See details on pages 38 & 39.

We will include a Jewish LGBTQ mini film festival comprised of three international films: Aimee and Jaguar, a German film about a relationship between two women, one Jewish and one Gentile in Nazi Germany, with a talkback by Dr. Amy Shalpiro; Yosi and Jagger, a love affair between two men in the Israeli Army, with a talkback by Rabbi Joel Alter; and, Family in Transition about a married transsexual Israeli, with a talkback by our Israeli Shaliach Uria Roth along with a skype conversation featuring the filmmaker.

To Build and Be Built | Livnot u’Lhibanot

The Harry & Rose Samson Family Jewish Community Center is honored to be hosting JSummit 2020 in Milwaukee, May 3-5. JSummit, formerly known as JCC Biennial, is the JCC Movement’s premier leadership gathering, hosted by JCC Association of North America. This biannual event brings together hundreds of lay leaders, JCC executives and U.S. military chaplains who are all deeply invested in their JCCs, camps, and Jewish life in North America.

To Build and Be Built, the theme for JSummit 2020, is the foundation of our conference—an expression of the aspirations of our community work and the resolve of our movement to meet the community’s needs by working together. Through our work together, we are determined to capitalize on our unrivaled platform for Jewish engagement, to create alliances across and beyond our movement with a growing circle of partners from around the Jewish world. Our means and methods vary, but our mission is the same—to strengthen Jewish life and Jewish community in every neighborhood, town and city that a JCC calls home.

Held at the Wisconsin Center downtown, the three day conference will host world-renowned keynote speakers and panelists, diverse cultural presenters, and leaders of prominent North American philanthropic and civic organizations addressing topics including Israel, leadership, innovation, strategic partnerships, fundraising, arts and culture, and most importantly, the work of strengthening Jewish life in North America.

JSummit is about the spirit of our movement. Challenges and opportunities are the driving forces that shape our work.

Volunteers from our community are needed to represent Milwaukee and help us welcome conference participants. Morning and afternoon shifts are available, and we will also need volunteers at our Host Community Event at the Harley Davidson Museum Sunday evening. Bring your Cream City pride and be a part of the action! Visit jccmilwaukee.org/jsummit to learn more.

Working at the JCC turns an interest into a passion, a hobby into a calling, an idea into reality. As a multi-faceted social services agency, with over 17 unique service areas spanning 6 different locations throughout the state, we let our mission guide the way. The JCC cultivates generational talent, and serves as a destination for professional development. With an inclusive and vibrant culture, led by a diverse board of directors, we’re a community-first place where our staff team is our most valuable asset.

Whether you’re looking for five hours a week poolside, or you’re 15 years into your professional career as an educator or program leader, there’s a place for you on the team. Lifeguards, teachers, camp staff, social workers, senior leaders – on any given day we have an opportunity right for a wide range of skills, backgrounds, and abilities. And all of our employees enjoy uniquely JCC benefits, like a fitness membership.

We are seeking highly committed, high-energy leaders to serve our members and bring our programs to life.
To explore current opportunities and take the next step in making your work more than just your job.

**SUPPORT THE JCC ... FOR OUR COMMUNITY FOR YOU AND FOR THE FUTURE.**

The funding provided by our Supporting Members, Patrons and Benefactors supports programming that benefits our community in the areas of education, culture and social services. Through the generosity of our Supporting members, Patrons, and Benefactors, the JCC is able to maintain the high quality level of offerings. With each of these donor levels, the amount of your charitable contribution can be adjusted to reflect the portion of your membership that is not used. You benefit and the community benefits.

  - A tax-deductible donation.
  - A choice of sponsorship level to KidShare-the JCC’s major fundraising event.

  To become a supporting member contact Elyse Cohn, Chief Development Officer, at ecohn@jccmilwaukee.org or 414-967-8188.

  - Class registration with concierge service
  - Two free tickets to your choice of a film at the Jewish Film Festival.
  - Complimentary Nanny or caregiver membership
  - Acknowledgement in JCC publications.
  - A tax-deductible donation.

- **Benefactor Member**
