

Enrollment-limited early childhood education services will be available for actively enrolled Gan Ami families at both Whitefish Bay and Mequon starting June 8th.

We intend to be open every weekday from 8:00 am – 5:00 pm. As part of our opening process, we will no longer close for professional development June 15-19th.

To ensure accordance with guidance from our expert partners and leaders, we will limit capacity at both sites. Enrollment priority will be given to health care workers and employees at essential services; we will work to enroll as many families as possible on a first-come, first-served basis.

Gan Ami tuition will remain the same in order to provide the highest quality of staff to child ratios and cleanliness.

No parents, visitors, or volunteers will be allowed in Gan Ami facilities. Children will be escorted to and from the family's vehicles at the designated drop off and pick up times by Gan Ami staff.

Student drop-off and pick-up times will be assigned; each family will have a designated window for dropping off their students.

Ferrante's hot lunch will be suspended until further notice. A "kosher style" lunch should be sent from home daily with your child in a disposable paper lunch bag or large Ziplock bag; lunch boxes will not be returned home.

We will do our best to ensure that your child will remain with some friends from this school year; however, teachers may also have to be split to accommodate classes as needed.

While we will continue to enjoy organized learning, play time, outdoor playground access, Shabbat sing, and so many other Gan Ami experiences – some programs and operations will be modified to ensure a safe and healthy environment.
