

A comprehensive youth summer program will be available, hosted at the Albert & Ann Deshur JCC Rainbow Day Camp, in Fredonia beginning June 29th.

We envision our program will run in line with Gan Ami hours of operation, 8:00 am – 5:00 pm.

Youth participants will be grouped by age, and will remain with their groups – and in their unique space on the Rainbow Day Camp grounds – throughout the duration of their day and session.

Enrollment in the youth summer program, designed for school aged children, will be available soon. Enrollment will be offered in two-week sessions, with a total of four sessions available to the community.

All buses will depart from the JCC, with staggered departure times and on-campus locations to be determined.

Youth participants will be engaged in organized activities, led by professional staff, throughout the day. We do intend to offer open swim (with lifeguard supervision) on a regular basis but will not be offering private or group swim lessons.

A “kosher style” lunch should be sent from home daily with your child.

Parents, visitors, or volunteers will not be allowed at the Fredonia facilities.

The Fredonia grounds provide access to up to eight unique ‘sites’ for each youth group, with every group having access to a separate bathroom facility. These groups will stay together throughout their day to ensure appropriate social distancing and community health practices.
