No matter your age, leading an active life is a lot more fun with friends. And what better place to connect with those friends than at a community center that serves the entire community with inclusive wellness, education, and community programs! JCC Recreation Programs are designed for all ages and abilities, and this summer we look forward to offering something for everyone to enjoy.

Your kids can spend their mornings staying active in our Half Day Morning Rec Camps, or choose one of our great once-a-week class options to add to your summer schedule. And as JCC Rainbow Day Camp wraps up its season, our August Specialty Camps will bring great partners like Play Hard Hoops Basketball, Pink Umbrella Theater Company, Danceworks, and Solar Recreation to our vibrant JCC Spaces & Places.

But summer is not just for young kids. You will find programs for the whole family in this guide – teens and adults, too! JCC Membership is not required to take classes or register for JCC camps, but JCC Members do receive priority registration, discounted pricing, and members-only access to the Hy & Richard Smith JCC Water Park in Mequon this summer. But not to worry, membership is open to the whole community!

We look forward to spending the summer with your family!

This journey is one we take in connection with one another – from the littlest infant to the most confident of K4 kiddos – from the newest and most nervous parent to the most experienced educators with decades of experience.

We know our most important job is cultivating relationships – between teachers and children, teachers and families, and the school and our community.

While these relationships may look different behind a mask or through the lens of a computer, this strong and beautifully intimate connection is deeply felt and treasured by us all.
