

## Family Intake Questionnaire

Dear Gan Ami Family,

As part of our continued commitment to the partnership between home and school, we seek to add strategies that build relationships and bring to light the unique spirit and gifts of each child.

We are introducing this questionnaire as one of many tools we will use to get to know your child and family, in order to provide excellent education and care for your growing child. We encourage you to fill out this questionnaire as completely as possible within your family's comfort level. Any question may be left blank if your family does not wish to share the information. All of the information will be shared with the classroom teachers and kept for the child's file. It will not be shared outside of the classroom.

Thank you for sharing your child and partnering with us.

B'Shalom,

Michelle Lafferty, LCSW
