

Summer 2023 Albert & Ann Deshur JCC Rainbow Day Camp

Albert & Ann Deshur
JCC Rainbow Day Camp

JCC Mission:

Creating spaces. Building opportunities. Inspiring Jewish moments for diverse communities.

JCC Rainbow Day Camp Mission:

The Albert and Ann Deshur JCC Rainbow Day Camp is an inclusive summer camp, guided by Jewish values, for children and teens that fosters personal development, friendship and community. Led by an experienced and nurturing staff on over 100 picturesque acres, campers safely play and learn through a variety of enriching activities and innovative programs.

JCC Rainbow Day Camp Vision:

JCC Rainbow Day Camp is a dynamic and evolving year-round community encouraging the growth of the whole individual regardless of physical, developmental or financial ability. With state-of-the-art facilities and a connection with nature, Camp fosters healthy life choices. JCC Rainbow Day Camp continues to build on its strong foundation of Jewish values.

ACA Accreditation:

JCC Rainbow Day Camp is accredited by the American Camping Association. This means we have demonstrated compliance with more than 300 individual health, safety, and program quality standards. These standards establish criteria for program, personnel, transportation, administrative procedures, health care, food service, program activities, and emergency procedures. Accreditation assures parents and campers that JCC Rainbow Day Camp has been measured against national standards for best practices in the camping industry.

When we think of summer, we think of a few things – sunshine, fresh air, warm weather, and – of course – camp!

JCC Rainbow Day Camp is a unique, fun, and engaging place for your children to grow and explore this summer. Informed by Jewish values, we offer a diverse and inclusive environment for children of all ages, abilities, and backgrounds to form friendships and engage with community. Our goal is to create a transformational summer experience where campers gain confidence, try new things, take risks, and make connections.

The experience of coming to our camp lasts long beyond the end of summer – your children become part of a community full of life, love, and friendship. We can't wait to share another summer with you!

Keep Smiling,

Lenny Kass
JCC Rainbow Day Camp Exec. Director

At JCC Rainbow Day Camp (RDC), we believe the best experience for your child is complete with a beginning, middle, and end. With our 2-week session format we are able to give your child the best experience and really welcome them into our RDC family. We also recognize that your family's summer schedule may require you to select partial sessions, and that's ok, too! Contact us to talk through any questions you may have about registration and scheduling.

Inspiring Jewish Moments for Diverse Communities

As a day camp inspired by Jewish values, JCC Rainbow Day Camp welcomes children of all backgrounds, from throughout Metro Milwaukee and beyond, to join our inclusive camp family. Here are just a few of the values and traditions that make our camp special:

Kehillah (community)

The first hour of each two-week session will be dedicated to community building as a camp group. We begin and end each day as a camp community, celebrating milestones and lifting each other up. These moments of community are important for our campers to make connections with each other and to feel a part of something warm, inclusive, and safe.

Kavod (respect)

Our counselors weave this value into every interaction with our young campers, guiding them to follow suit as they interact with each other throughout their day.

Tikkun Olam (caring for the world)

Our campsites and programs allow kids to connect with the natural world around them and recognize their responsibility to care for that environment.

Tzedakah (justice)

Each two-week session will have a designated social justice project that involves the whole camp community.

Shabbat (sabbath)

At Friday Afternoon Assembly we sing songs, enjoy juice and challah bread, and come together to celebrate the end of another fun week as a camp community.

Open House Tour Sunday, June 4 at Rainbow Day Camp

Family Shabbat Open House Friday, June 9 at Rainbow Day Camp

Take a camp tour, try activities, eat a picnic dinner, and sing songs by the campfire with family and friends.

More details and timing will be sent to registered camp families in May.

Creating Spaces

JCC Rainbow Day Camp is located on 110 acres in Fredonia, WI, with 3 convenient North Shore bus stop locations.

Our beautiful campsite in Fredonia allows children to experience and embrace the outdoors. In addition, camp provides plenty of tented areas for shade throughout the program day. Pre-planned rainy day schedules and hot day schedules take advantage of indoor space.

Camp is continually improving and updating our spaces. Thanks to the generous donors who supported our most recent Capital Campaign, there are a number of new buildings and updates at camp that our campers will enjoy this summer!

The main entrance to camp has moved to Chortek Way, a road that runs along the southern edge of camp and further away from our primary activity spaces. Camp buses and all visitors (including parents) are directed to turn left on this newer road that intersects with Trails End Road when arriving at camp. The original road is now used only for foot traffic and golf cart rides.

COMMUNITY SPACES

- The Amphitheater is the largest tented space at camp. Our entire camp community gathers in this beautiful space for Shabbat, music, and daily assemblies.
- Moadon (Clubhouse) makes a welcome addition to The Village, the primary hangout space for our oldest camp groups.
- Sol & Eva Dorf Assembly Area is a designated paved space for morning and afternoon assembly that features benches and flag poles.
- Daniel M. Soref Education & Retreat Center is at the heart of camp. Home to our administrative offices, the Bayit is vital to daily camper operations. On the opposite side, the Lodge is rented to visiting groups year-round and features housing for over 150 people.

AQUATIC SPACES

- Reimagined in 2019, the Daniel M. Soref Aquatic Center is accessible for campers of all abilities, incorporating a shallow area, deep end, and splash pad with adjacent locker rooms.
- The Agam is a spring-fed pond that provides all campers with boating and small craft experiences. It also features an inflatable obstacle course and slide for older campers to enjoy.

NATURE SPACES

- Our Education Garden features a large garden, hoop house, and year-round green house where campers learn about how our food gets to our plates. The produce from this garden is used daily in our Learning Kitchen to make healthy snacks and treats for campers.
- Catherine & Nathan Wahlberg Family Nature Center is the perfect place to learn about nature. This building provides activity spaces where campers explore a hands-on approach to nature education.
- Adventure Playground is perfect for children who like to explore, dig holes, climb trees, and use their imagination.

ATHLETIC SPACES

- The Admirals Rec Center is an indoor gymnasium complete with basketball courts, bathrooms, and a large classroom. This provides remarkable space for campers to learn athletics as well as play sports during rainy days.
- Gary Katz Sports Complex and adjacent athletic fields feature a diamond for baseball and kickball, paved basketball courts, Gaga pit, a new tushball roof, and plenty of open green space for group sports activities.
- Paley Tennis Courts and Gorens Family Youth Tennis Courts host partnership camps each year and are also used for specialty programs throughout the summer.
- 40-foot climbing tower provides space for children to challenge themselves and grow. 3 belay systems allow children to climb at their own pace in a safe way.

ACTIVITY SPACES

- Marvin & Ann Margolis Family Picnic Pavilion provides additional shaded space not only for lunchtime, but also as an added covered space for activities throughout the day.
- Dinkin Family Activity Village features four unique buildings. Each building is home to a different specialized activity: model trains, woodworking, music, dance, or even Legos.
- Grandma's Storybook Garden is a beautiful sitting area found in the middle of camp. Each day, our youngest campers enjoy a little quiet time for stories.
- Judaic Playground is perfect for children to play. The transverse wall, swings, slides, and monkey bars are just what kids love. Plus, the Judaic learning elements provide an informal education regarding Judaism.
- Fishing is found on the north side of camp. This half acre pond is home to many bass, perch, and bluegill. Campers are able to learn basic fishing techniques and practice without having to leave camp.

Building Opportunities

Campers entering K5 - 1st Grade

Our youngest campers are introduced to daily camp life, welcomed into the camp community, and given ample opportunity to explore all that camp has to offer while also developing the self-help and social skills necessary to begin school in the fall.

Shiluv (integration) Program

We want every camper to have a summer that fits their personal needs and abilities. The integrated Shiluv programs allow campers of differing abilities to be mainstreamed with their peers while receiving individualized support from professionally trained staff. This program is open to campers with physical, developmental, emotional, behavioral, and language support needs. A parent interview is required prior to the start of the registration process for each child. To begin the conversation, call JCC Rainbow Day Camp at 414-967-8248.

Building Opportunities

Campers entering 2nd - 5th Grade

Camp grows with your camper, and the structure of this unit gives older elementary age kids more choices and more ways to individualize their day camp experience to fit their interests.

Scholarship Opportunities

We work together to build a community that is inclusive of all, one that is founded upon the belief that our community is stronger when we all participate in Jewish life. The JCC is blessed with the ability to be stewards of our community's scholarship funds and take seriously our responsibility to make these funds available to all who may need scholarship assistance. Help us to live our values by joining with us in community and applying today.

Visit jccmilwaukee.org/scholarship to request a confidential application.

Scholarships will be awarded based on financial need.

If you are able, we invite you to add a donation to the Scholarship Fund when registering for camp online. Camp is more fun when all our friends are there!

10. The JCC may, at its discretion, use photos, videos, and commentary from our camp community for publicity, promotion, or community engagement.
11. Additions, cancellations or modifications:
 - Additional camp weeks may be added without subsequent processing fee, if space is available.
 - Cancellations prior to May 1st, 2023, will result in a \$50 processing fee.
 - Cancellations after May 1st, 2023, will result in forfeiture of your deposit.
 - Cancellations after June 1st, 2023, will result in forfeiture of your deposit and all fees for the cancelled sessions.
 - Any subsequent weeks added after June 1 are nonrefundable.
12. A \$50 processing fee will be assessed for any registered week cancelled or changed.

Health & Safety Policies

Following guidelines from the American Camping Association, CDC, and State and local health departments, the Albert & Ann Deshur JCC Rainbow Day Camp program is executed with camper health and safety as a top priority.

How to Register Online

Visit jccmilwaukee.org/daycamp and click the registration button to access the CampMinder registration system.

If your child attended camp last year, your information is already in the system and can be updated for this season. If you are a new camp family, you will enter each child's information just once, and it will be available to update whenever you wish.

When registering for camp, please note:

Parent Email When a parent or guardian clicks through to our online camp enrollment system, they will be prompted to enter their first and last name, relationship to the camper, and an email address. Each account is set up by the email entered. If you have previously enrolled, please use the email that is already receiving camp emails.

Account Password If you are a new camp family, the system will prompt you to create a password. If you are a returning family, upon entering your email and clicking continue, the system will recognize you have an account on file and ask you to enter your password. If you forgot your password, you will be able to reset it.

Camper Grade Please select your camper's current grade for this school year. CampMinder will automatically make available those camps that are age appropriate for the grade they will be entering in the 2023/24 school year.

If you have any questions about the registration process, please contact Shelby Elias at 414-967-8248 or selias@jccmilwaukee.org.
