Discover the difference when you swim year-round in the indoor Peck Aquatic Center's ozone-filtered, 6-lane, 25-yard lap pool and small teaching pool. The virtually chlorine-free, odor-free water is gentler on skin and eyes a must for people with chlorine allergies. Many of the JCC's swimming and recreational activities take place in the Peck Aquatics Center which was provided through a generous grant from the Milton & Lillian Peck Foundation.

Indoor Swim Test Policy

All swimmers under the age of 14 must complete a swim check each time they swim to use the large pool independently. Please check in with the lifeguard on duty upon arrival during any open swim block. Refer to our pool schedule for available times.

To swim independently in the large pool, participants must be able to swim 1 length (25 yards) of the pool using either a front crawl or a breaststroke. Swimmers must demonstrate an ability to keep their bodies horizontal and have continuous forward motion. Immediately after the swim, they must demonstrate proficient water treading for a minimum of 30 seconds.

All JCC Member Families

Family Swim

Small Pool: The small pool is open for family swim times throughout the day. During programming and other activities, the small pool will be closed to open swim. Please refer to the pool schedule for available times.

Large Pool: The large pool will have open swim times throughout the day where lanes are designated as "open" during these times. Families may use the pool for open swim, but children under the age of 14 must be within arm's length of an adult at all times unless they have passed the swim check. The large pool will have designated open times for family swim on Sundays from 2:00-4:00 PM, Wednesdays 6:00-8:00 PM, and Saturdays from 12:00-6:00 PM. We will make every effort to ensure the diving board is open during these times. Swimmers wishing to use the diving board or swim independently in the large pool will need to complete a swim check upon arrival.

Is your child too old or too advanced for Parent-Tot classes but needs more time to get ready for Pre-School Level 1? This class is a perfect balance! Children will work with the swim instructor and their parents to develop skills introduced and taught in Pre-School Level 1 classes. Parent participation helps ease the transition into independent lessons for the future. The instructor will teach the participants and parents will assist their children in practicing the given skills.

INQUIRE

First independent swim lesson experience. Participants will learn to put their face in the water and become more comfortable in the water on their own. Activities include submerging mouth, nose & eyes, blowing bubbles, floating on fronts & backs, and exploring arm movements, including swimming on front & back with support.

Participants enrolled in this class must be able to put their head in the water independently and have a high comfort level of being in the water and participating in some skills on their own. Activities will include learning to float on fronts & backs, front & back glides with minimal assistance with and without kicking, beginning arm movement of the front & backstroke, jumping into shallow water, and retrieving a submerged object.

Participants enrolled in this class must be able to submerge their head, jump independently into shallow water, and float independently on their fronts & backs. Activities will include front & backstroke (arm and leg action coordinated) independently across the training pool, and the participating in similar activities in the large pool.

This class is designed for participants who have successfully passed the benchmark skills for Pre-School Level 3 but do not yet meet the age and/or endurance qualifications for Youth level 2. Participants enrolled in this class must be able to swim front & backstroke for ¼ length of the large pool with coordinated arm and leg action. Activities will include refining coordinated arm & leg action with an introduction to rotary breathing (breathing to the side while swimming on front side), swimming on side, and treading water. Participants will work towards independent swimming both front & backstroke for ½ the length of the large pool.

Instructor referral required for enrollment. Register through the Aquatics Department.

American Red Cross Learn To Swim

The JCC's aquatics programs are based on the principles and methods established by the American Red Cross which is progressive; each skill builds on the skills mastered in the previous level. It is important and necessary to successfully complete each level in progression. Progress reports are handed out at the end of every session informing parents which skills were accomplished, which need continued progress, and a recommendation for subsequent enrollment levels. All lessons are taught in the Peck Aquatic Center on the JCC campus in Whitefish Bay. *We realize that there are schedule changes and situations arise that may cause you or your child to miss a class, but to ensure a quality experience for both your child and the other children in classes, the JCC does not allow make up lessons or provide credits or refunds for missed or cancelled classes.*

Youth Age Aquatics • Ages 6-14 yrs

Our youth aquatic classes are structured for children 6 years and older. Each lesson is 30 minutes and combines skill instruction with fun. To ensure a quality and safe lesson, there is a ratio of one instructor to a maximum of five students depending on the level. Classes are taught in the large pool.

Youth Level 1

Beginner class for participants who have not completed the Pre-School level program.

Participants enrolled in this class will become familiar with all skills from the Pre-School Lesson Program. This level is designed for the older child to begin swimming in an age-appropriate lesson. Lessons are taught in the large pool.

Youth Level 2

Next step after Pre-3

Participants enrolled in this class must be able to swim front & backstroke for ¼ length of the large pool with coordinated arm and leg action. Activities will include refining coordinated arm & leg action with an introduction to rotary breathing (breathing to the side while swimming on front side), swimming on side, and treading water. Participants will work towards independently swimming both front & backstroke for ½ the length of the large pool.

Youth Level 3

Participants in this class must be able to complete the front crawl with rotary breathing & backstroke for ½ the length of the large pool. They must also be able to tread water/float for 15 seconds and get back to safety. Activities will include introduction to several new strokes including the butterfly stroke (kick and body motion), elementary backstroke arms and kick, jumping into deep water, and an introduction to diving. Participants will work towards swimming front & backstroke for the length of the large pool and treading water for 30 seconds.

Youth Level 4

Participants in this class must be able to complete the front & backstroke for 25 yards (1 full length) and tread water & float for 30 seconds. Activities will include an introduction to underwater swimming, kneeling & standing dives, front & back turns, and refinement of all strokes, including an introduction to the breaststroke. Participants will work towards swimming the front & backstroke for 2 lengths of the large pool.

Youth Level 5

Participants in this class must be able to minimally perform the following activities: dive into deep water, swim the front crawl for 50 yards and then backstroke for 50 yards, swim 25 yards breaststroke or butterfly. Activities will include refinement and endurance of all strokes, flip turns while swimming on the front side & back side, surface dives, and an introduction to advanced safety skills.

Youth Level 6

Participants in this class must be able to do the following activities (minimally): dive into deep water, swim the front crawl for 100 yards and then the backstroke for 100 yards, swim 25 yards breaststroke and butterfly, and demonstrate feet first and head first surface dives. Participants must also demonstrate proper turns including flip turns. Activities will include swim race etiquette like proper starts, breakouts, turns, finishes, and use of the pace clock. Swimmers will also learn basic lifeguarding techniques and prerequisites as well as the fundamentals of swimming for fitness.

Triggerfish Swim Club

Ages 6 - 14 yrs

Location: Determined by Season*

Head Coach: Dave Wage

REGISTER

Participants in this program must have passed all requirements of Youth Level 3 to be successful. This program is designed to introduce your child to the concept of a swim team, team building, good sportsmanship, and how to use swimming as a form of exercise. Workouts focus on proper warm-up and refinement of strokes through drills and direct instruction. All swimmers will review the basic components of the four competitive swimming strokes, starts, turns, and training tactics.

Please contact Head Coach Dave Wage with any questions at dwage@jccmilwaukee.org or at 414-967-8191.

Gender Diversity in Jewish Tradition Series

Teens & adults ages 16+

Location: Glazer Board Room (Hybrid Option Available)

Instructor: Rabbi Abby Phelps

How does Jewish tradition understand what it means to be masculine or feminine? Does Judaism see gender as binary, a spectrum, or something else entirely? These questions and more will guide our exploration of gender in Jewish scriptural, rabbinic, and contemporary texts. All non-English texts will be presented with English translation and students of all levels are welcome.
