The Peck Aquatic Center is the place for Swim Lessons

- Ozone filtered pools that use less chlorine than typical public pools make it much easier on your child's eyes, skin, and swimsuit.
- Small teaching pool with depths of 2'6" - 3'6" so your younger child can stand in the water without flotation devices which builds confidence.
- Large, 6-lane, 25-yard pool allows your child to build endurance and stroke refinement.
- End-of-session report cards give parents each child's progress, successes, and recommended next level.
- Contact a member of the Aquatics Team and schedule your child's free swim check to ensure proper level placement.

Swim Test for Independent Swimmers

All swimmers under the age of 14 wishing to swim in either pool independently MUST complete a swim test. Swimmers will be given a wrist band to indicate which areas of the pool they are able to use. Swim Tests will be kept in a binder on the pool deck and will be updated weekly. Swimmers without a wrist band must be accompanied by an adult in the water at all times unless they are participating in a program.
