

Parent-Tot

Ages 6 mos-3 yrs

This program is specially designed for infants and toddlers 6 months – 36 months. Parent participation allows you to share this experience with your child. We explore water adjustment, body awareness, coordination and safety through use of games, songs and repetition. All infants and toddlers must wear swim diapers or secure plastic pants over a cloth diaper. No disposable diapers are allowed. There is a maximum of one child per parent.

Parent-Child Swim Skills

Ages 18 mos-3 yrs

Is your child too old or advanced for the Parent-Tot class but not quite ready to start Pre-school Level 1? This class is the perfect balance! The class is designed to work on all of the skills that are introduced and taught in our Pre-school Level 1 class. The difference is that parents join their participant in the water and help ease that transition into independent lessons for the future. The instructor will teach the participants, and parents will assist their child in practicing the given skills. See our program grid for more information!
