Be a part of something special

Working at the JCC turns an interest into a passion, a hobby into a calling, an idea into reality. As a multi-faceted social services agency, with over 17 unique service areas spanning 6 different locations throughout the state, we let our mission guide the way.

The JCC cultivates generational talent, and serves as a destination for professional development. With an inclusive and vibrant culture, led by a diverse board of directors, we're a community-first place where our staff team is our most valuable asset.

Whether you're looking for five hours a week poolside, or you're 15 years into your professional career as an educator or program leader, there's a place for you on the team. Every day is a little bit different at the JCC – and the work experience you enjoy here is unlike anything else you'll find in Milwaukee.

Lifeguards, teachers, camp staff, social workers, senior leaders – on any given day we have an opportunity right for a wide range of skills, backgrounds, and abilities.

We are seeking highly committed, high-energy leaders to serve our members and bring our programs to life. To explore current opportunities and take the next step in making your work more than just your job
