Tzedakah today.  
Values for the rest of our lives.

You have been a part of the great tradition of *kehillah* - Jewish communal life. Your JCC is the crossroads of wellness, education, and social services for our community – providing programs and services for all, regardless of special needs or financial circumstances. This happens because of you, your gift, and your commitment to our community's future.

You can make a difference in a JCC family's life. Join us in this *mitzvah* (good deed) and make a difference in your own life as well. Please make your gift today!
